

CTO - PLANNING FOR SUCCESS WORKSHOP

TERUMO
LEARNING
EDGE™

LEARNING WITH A **COLLABORATIVE APPROACH**

May 30th & 31st 2022 Milan, Italy

You are invited to :

- test and strengthen your CTO planning skills
- learn how to avoid & tackle complications
- experiment advanced techniques via benchtop models (Ping Pong, Coiling, Tip-in...)

Dr. Gabriele Gasparini, Dr. Damiano Regazzoli, Dr. Andrea Gagnor

The workshop will combine presentation, discussion, information sharing and tips & tricks during live cases performance, so that you can refine and perfect your approach.

You are also welcome to bring your own CTO cases to discuss them.
